# Wellington Rotary Honors Phelps With Paul Harris Award

The Wellington Rotary Club recently honored Mason Phelps with the prestigious Paul Harris Fellow Award.

Phelps Media Group International General Manager Julie Tannehill accepted the award at a Wellington Rotary Club luncheon last month. The award was given to Phelps in recognition of his continuous and outstanding support of the Wellington Rotary Club's fundraising efforts over the past years.

The Paul Harris Fellow Award is named after the founder of Rotary International and is used to recognize those who have helped to raise or have donated money to Rotary International and who have exemplified the mission of Rotary — to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty in the world.

The Wellington Rotary Club has partnered with Phelps Media Group on many fundraising events, most recently on the Gay

Polo League Tournament weekend held in Wellington in April. The Rotary hosted the victory party after the final polo match, which was a sold-out event attended by more than 240 polo enthusiasts, tournament players and local supporters.

Wellington Rotary Club International Chairman Tom Eastwood and Wellington Rotary Club President Karen Hardin presented the Paul Harris Fellow Award to Tannehill.

"Mason is unable to be here today, but he is extremely honored to receive this award," Tannehill said. "We at Phelps Media are so pleased to have the Wellington Rotary Club involved in our GPL event and are happy to be able to utilize the community's support of GPL to help raise funds for your club's philanthropic efforts — a great partnership for the good of all."
